Volume twelve

This 1954 Argos is published by the students of
St. Norbert High School, West De Pere, Wisconsin

Philosophy of St. Norbert High School

Our curriculum is designed to answer the needs of young men who plan to enter college as well as the needs of those who are not suited for college —to meet the educational needs of all the young men who enroll here.

It is our aim to inculcate all these students with moral and spiritual ideals and values resting on the definite teachings of the Catholic Church so that they may be better prepared to share in and to contribute to our democratic way of life.

". . . in fact it must never be forgotten that the subject of Christian education is man whole and entire, soul united to body in unity of nature, with all his faculties natural and supernatural, such as right reason and revelation show him to be . . ."

Pius XI

"It is necessary not only that religious instruction be given to the young at certain fixed times, but also that every other subject taught, be permeated with Christian piety. If this is wanting, if this sacred atmosphere does not pervade and warm the hearts of masters and scholars alike, little good can be expected from any kind of learning, and considerable harm will often be the consequence."

Leo XIII

Dedicated to Mr. Fred Dillon . . .

We honor our teacher, coach, and friend

Above: A few pointers are given to the basketball team during a time-out period.

Above: Mr. Dillon also teaches two afternoon typewriting classes.

Right: Last-minute instructions being given to End Bill Frigo.

Fred Dillon has been associated with St. Norbert High School since 1930. During these many years, he has become an impressive figure on our campus. He has won the respect and admiration of those who have come to know him.

His great ability lies in the field of coaching athletic teams. Father Mark Steinmetz, our former athletic director, said: "He is one of the best in the coaching profession." He has worked hard with many Squire teams over the years and thus has earned his reputation.

It is with great pride that we, the student body of St. Norbert High School, respectfully dedicate this 1954 edition of our yearbook to him.

STUDENT COUNCIL

One of the crowning features predominating school life wherever it is found is the student council organization. It is formed mainly to promote in all ways the best interests of the school. This was one of the principal purposes stated in the constitution that was created by the 1953-54 council. The task was considered one of the most important that was accomplished during the year. The moderator, Father Clabots, presided over the meetings which were held semi-monthly in a classroom. The members also sponsored various programs, the proceeds from which were used for improvements within the school. The council's officers were Jim Kommers, Bill Frigo, Bob Ahlers, and John Migas, who acted as president, vice-president, secretary, and treasurer respectively.

The Squires opened their 1953 football season at **Chilton** on September 12. Passes proved to be St. Norbert's biggest asset of the evening.

Late in the first period the Squires owned the ball on their own 23 yard line. Two penalties moved the ball back to 15 yard line. Then Arnie Baugnet threw a beautiful pass to Chuck Fiss, who gathered it in about the mid-field mark and rambled to the 3 yard line. Two plays later Tom Johnson plunged into the end-zone for the first touchdown of the season. The extra point failed, leaving the score at 6-0. The quarter ended after the following kickoff.

The Dillonmen received a severe blow halfway through this first period. Lloyd Jansky, a first string halfback suffered a foot injury and was unable to play for the remainder of the season.

Chilton was unable to move as the second period began and were forced to punt, the ball rolling dead on the Squire 25 yard line. From which point the Junior Knights used seven plays to score. With the line opening big holes in the defense, Jim Tomasini gained 13 yards, Paul 16, Baugnet 13, and the final 18 by Paul as the Green and White went ahead 12-0. The extra point attempt hit the cross bar and bounced back.

Midway through the fourth period the Squires possessed the ball on their own 26. First Baugnet passed to Fiss for nine, then ran for five and the first down. Roger Danen picked up another first down with 12 yards. Another Baugnet to Fiss pass was good to the three-yard strip. On the first play the Squires recovered their own fumble, then Paul went in for the TD, final score SN-18, Chilton-0.

In a game that was played for the most part in a drizzling rain, St. Norbert opened their defense of FRVCC championship against **Lourdes High School** of Marinette in Minahan stadium.

Both teams were slowed down considerably by the rain. St. Norbert received the opening kickoff and got nowhere. Arnie Baugnet recovered a Lourdes fumble on the Squire 49 just after he himself had punted. Following a first down the Dillonmen lost 30 yards in two plays. Then Bob Moran of the Shamrocks intercepted a Baugnet pass on his own 35. But on the next play Tom Schumacher landed on a Lourdes fumble and St. Norbert began to move.

Arnie Baugnet picked up one first down and Pete Paul followed with another on the 17. Baugnet skirted end on a keeper play for nine yards to the eight. Then a Baugnet jump pass to Comerford was good for the score and the Norbertines led 7-0 as Baugnet split the uprights for the extra point. The half ended with the score unchanged.

The first half saw the Squires lose one of their most valuable players, Arnie Baugnet, who was removed from the game early in the second period with a slight brain concussion after making a tackle. He was taken to a hospital in Green Bay, where his recovery was quick.

The Squires pushed across their final score in the fourth quarter. After a first down on the Lourdes 42, a TD pass, Olbrantz to Johnson, was nullified by a holding penalty. Then Tomasini got 10 yards, Paul 3, and an Olbrantz pass to Fiss put the ball on the 26. Olbrantz again connected with Fiss for the TD. Final score 13-0.

St. Norbert made it two straight in their conference as they downed **St. Mary Menasha** at the loser's field 25-12. Four squires romped across the goal line during the battle.

Arnie Baugnet's interception of a Zephyr pass following the opening kickoff started the ball rolling. They moved down to the nine yard line where Jim Tomasini went in standing up for the TD. The extra point was missed and the score was 6-0 as the quarter ended.

In the second period St. Mary scored first. With Norb Fritsch, Ken Konkle and Fink doing the work, they moved to the six yard line where Fink crashed over for the score. The point was wide, and the score was tied 6-6.

St. Norbert promptly took the ball downfield for a TD. Tomasini picked up a first down to the Zephyr 38 and then to the 18. Baugnet got down to the 2 and Tomasini came within four inches of the goal. On the last play of the half Baugnet sneaked over for the touchdown. Score 13-6.

The second half kickoff went out of bounds with the Squires taking over on their 40. Two first downs brought the ball to the 35. Another one moved it to the 15 where Baugnet hit Fiss with a pass in the end zone. The point was again no good, leaving the count at 19-6.

Jim Kommers recovered a partially blocked kick midway in the final period to set up the last score. Comerford took Baugnet's pass to the four and then Bob Mullen went around right end for the TD, thus making the score 25-6.

Menasha scored on the last play of the game to make the final score 25-12.

On October 8 **Denmark** fell before St. Norbert as the Squires chalked up their fourth straight win at Viking's field.

The Dillonmen scored the first time they got the ball which was the kickoff. Pete Paul made his own 35, then Arnie Baugnet hit "Tex" Comerford with a pass for a first down on Denmark's 35. Tom Johnson went the final seven after a series of running plays had moved the ball there. The point was blocked and the score was 6-0.

Early in the second period three Baugnet passes brought the ball to the Dane's four yard line. From which point Arnie himself bulled into the end zone. The conversion was wide, but a penalty gave the Squires another try, which was good.

Still in the second period Jim Kommers recovered a Viking fumble on their 48. Two plays later from the 41 Baugnet hit Johnson with a pass and Tom went in standing up for the score. The kick missed, the score was 19-6 at the half.

The second half began with Denmark moving the ball down to the Squire's 18 with four first downs via the ground. With the help of a 15 yard penalty the Danes went to the four, where Nelson scored on fourth down. The conversion was missed.

Mid-way through the fourth quarter Fiss was taken from the game with a shoulder injury that kept him from playing the rest of the season. After this, the Dillonmen moved to their final score, starting from their 35. Johnson picked up 32 yards, then Tomasini rambled the last 33. The point failed. On the kickoff Nelson of Denmark was injured and the game ended because a doctor was not there to move him. Final score 25-6.

St. John soundly trounced St. Norbert for the Squire's first defeat of the season. The loss left St. Norbert holding second place in the league.

St. John jumped into the lead near the end of the first quarter. On fourth down Vanden Burgt passed 28 yards to Lamers for the first score. O'Connor blocked the extra point. Score 6-0. With four minutes remaining in the half Vanden Burgt was rushed trying to pass. Electing to run, he raced all the way for the TD. Evers converted for the point. Halftime score was 13-0.

On the third play of the second half Vanden Burgt again hit Lamers with a pass, this play going 65 yards for the score. The extra point was wide. Another pass play Verbrick to Hammen was good for 30 yards and the touchdown. Evers' try for the point was good. Score 26-0.

Late in the fourth period Vanden Burgt took a Baugnet pass out of the air and raced 55 yards to the goal. Evers missed and the final score was St. John 32-St. Norbert 0.

than one. Pete Paul was taken to a hospital with a concussion, and Jim Tomasini suffered a dislocated shoulder. Both of them were unable to play for the remainder of the season.

The Green and White returned to the win column as they defeated the Dons from **Marshfield.**

On the second play of the game Bob Ahlers scooped up a Columbus fumble on his own 24 yard line. Baugnet gained four and Danen two before Tom Johnson began his jaunt for the TD. Baugnet split the uprights. Score 7-0.

Two plays following the kickoff Frank O'Connor recovered another Columbus fumble, this one on the 25. Gary Simoens went to the 14 for a first down, Rog Danen got another at the 3. Simoens proceeded into the end zone. The kick was low, and the period ended 13-0.

The Dillonmen took over the ball on their own 30 as the second quarter began. After a five yard penalty the Squires ground out their third TD, highlighted by four first downs and Rog Danen's 30 yard run. Danen himself took off from the 5 for the touchdown. Baugnet scored the point on a keeper play.

The final points were scored after a sustained drive. Starting from their 20, four first downs moved the ball to the visitor's four yard line. On third down Norm Olbrantz sneaked over from the one. The extra point went wide.

Columbus started their lone scoring march late in the third period. They advanced the ball from their 15 to the 48 before time ran out. Four first downs brought the ball to the Squire's 7. Here Clarence Blattler who had done most of the ball carrying, took it over the double stripes for the Don's only points of the contest as the extra point attempt failed. Final score 26-6.

St. Norbert celebrated their homecoming by downing **St. Mary Springs** 25-0 at Minahan Stadium on November 1, a sunny Sunday afternoon.

After an exchange of punts the Squires gained possession on the Springs 49. Baugnet's pass to Simcens was for a first down, another one moved the ball to the 28. An interference penalty placed it on the 10. Baugnet then passed to Johnson for the TD. Dave Andrews blocked the kick, and it was still 6-0 at the half.

The Junior Knights received the kickoff to start the second half. They moved to one first down. Held for two downs Baugnet then connected with Johnson for 13 yards. Rog Danen picked up 15 to the ten and Bob Mullen swept right end for the TD. The extra point try was wide.

Two plays following the kickoff Mike Lasee recovered a fumble on Spring's 38. Johnson went 14 yards to the 24, where Mullen again skirted end for the score. Baugnet threw to Simoens for the extra point.

John Migas intercepted a St. Mary's pass on the third play after the kickoff and returned to the 31 yard line. Arnie Baugnet pitched out to Tom Johnson who went all the way to the goal for the final touchdown of the 1953 season. The conversion attempt went wide. Final score 26-0.

These last three touchdowns used up only 10 plays as the Squires rolled to their sixth victory and second place in the loop standings.

The fourth quarter was a scoreless affair. With Springs on the Green and White 35 yard line, the game ended.

Four of the Seniors were awarded berths on the **all-City** team. The four places went to Frank O'Connor, right tackle, Jim Kommers, left guard, Arnie Baugnet, quarterback, and Chuck Fiss, right end.

O'Connor and Fiss were also **all-Conference** selections, O'Connor being a unanimous choice.

Cardinal Newman High of Wausau opened the 1953-54 season against the Squires in Van Dyke gymnasium. Both teams were bothered by the nervousness of the first game, with the result that it was a low-scoring affair. St. Norbert led at the half 15-14. The score remained close throughout the third quarter, but the Junior Knights pulled ahead in the fourth to win 30-25. Comerford led with 9.

Next the Dillonmen entertained the Wildcats of **West Green Bay.** Jumping off to a fast start the Green and White led by thirteen points at the half 28-15. In the second half the West team kept cutting the count until with 5 seconds to go it was 39-38. St. Norbert gained possession and managed to hold it for the 5 seconds. Fiss had 13 points.

Before enjoying their Thanksgiving vacation the Junior Knights went on a scoring parade as they whipped **Crivitz** 85-54. The game was close for the first quarter, but in the second the Squires went ahead for good, leading at the half-way mark 40-26. Tex Comerford was high with 28 points, Gary Simoens was next with 18, and John Migas had 11.

St. Norbert's fourth victory was **Denmark.** Gordie Comerford again led the scoring with 17 points. Rod Kowalczak and Bob Hansen were high for the losers with 11. St. Norbert led at the end of the first quarter 8-5 and at the half 21-17. They were ahead 36-27 at the beginning of the fourth period. A final Denmark drive made it close, but the Squires kept the lead, winning 44-38.

In a close battle the Dillonmen tipped **Stephenson, Michigan** 44-40. The Green and White went into the lead at the close of the first period, but the visitors fought back to tie the score 23 all at the half. The lead changed hands many times in the third stanza, with the Junior Knights finally taking the lead and holding it to the end, with Stephenson constantly challenging.

St. Norbert nailed down their first FRVCC victory, defeating **Lourdes High of Marinette** in Van Dyke gym. The first was close with the Squires in the lead 25-23. The Shamrocks came back to take the lead at the end of the third 40-36. But the Dillonmen came back with 13 points to the visitors' 2 for their sixth victory. Comerford and Fiss had 16 points apiece, while Vanderfin led Lourdes with 12.

St. Mary Springs ended St. Norbert's six-game winning streak 50-45; it was also the Dillonmen's first conference loss. The first half of the game found the Squires leading, but Springs came back with a big rush to forge into the lead and hold it for the remainder of the game. Gary Simoens, freshman sensation, counted 12 points for St. Norbert, Lloyd Jansky followed with 11. Springs high man was Bobby Sheridan with 18.

The **Central Catholic** Cadets handed the Jr. Knights their second defeat of the season 64-42 in a Fox River Valley Catholic Conference game. St. Norbert fell behind 31-24 at the half. During the second half Central continued to pour on as they moved to the victory. Jack Junio headed the scoring parade as he hit 16 points. Bill Braun was high man for the Squires with 13.

In a return engagement with **Cardinal Newman High of Wausau** the Jr. Knights scored a 44-39 win. The first half was a nip 'n tuck affair with the Squires in the lead when it ended. During the 3rd and beginning of the 4th period St. Norbert increased their lead as much as 12 points—39-27 at one time. However, in the last minutes of the game, Newman pulled up to close the gap.

Traveling to **Little Chute** the Dillonmen met St. John in a FRVCC game. The Dutchmen built up a sixteen point lead in the first half. Nevertheless, St. Norbert came back fighting in the second half, cutting St. John's lead to just four points, but they couldn't quite make it as the Dutchmen

pulled away to a 71-64 victory. Tex Comerford hit the nets for 26 points, high man of the Squires.

St. Mary Springs gained their second victory over the Green and White as they rallied in the 4th period to put the game in the bag. The Squires had held the upper hand for the first half and stayed close to the ledgers in the third stanza, but St. Mary's stepped on the gas in the fourth quarter and sped onward to a 53-49 win. Sheridan had 19 points for Springs and Braun 11 for S. N.

The Zephyrs from **Menasha** were the Dillonmen's next opponent in the FRVCC. St. Mary held the lead at the end of the first period 17-14, at the half 34-30. St. Norbert managed to keep close during the third stanza, which ended 50-44. But in the fourth Menasha edged further ahead, winning 69-58. John DeYoung and Ken Konkel had 17 and 14 points each for the Zephyrs, Jansky hit 13 for the Squires.

Lourdes High of Marinette gained revenge for the defeat they received earlier in the season from the Green and White. Again the fourth quarter told the story. The Junior Knights trailed by a point going into it, when the Shamrocks surged ahead for a 58-46 victory. Scoring honors for the game went to George Peterson of Lourdes with 18 points. Lloyd Jansky topped St. Norbert with 15.

The Squires' fifth consecutive defeat came at the hands of the **East Green Bay** Red Devils. Leading 12-10 at the end of the first stanza, Coach Whitman's quintet continued to enlarge its lead throughout the rest of the game. The final score was East High 66—S. N. 40. Tom Rand, brother of Terry Rand, former East great, led the Red Devils with 21 points, followed by Rubens who had 12.

The Dillonmen finally broke into the win column with a 50-41 victory over **St. John Little Chute.** Never were the Squires behind as they scored the first basket of the game. Aided by the Dutchmen's bad passing the Junior Knights had a 14 point lead at the end of the third period. This was enough as St. Norbert coasted to victory. This left the Green and White cagers with a 2-6 record in the FRVCC.

With **West Green Bay** setting a terrific pace in the second half S. N. absorbed their 8th defeat of the season. Leading by three, starting the second half, the Wildcats really opened the flood gates, especially in the fourth period when they shot a phenomenal 73.7, and went on to win easily 77-46. Otis Foster and Lance Olson were high for West with 19 points each; Comerford tallied 13 for S. N.

Heading north the Green and White tangled with **Stephenson, Michigan** a second time. St. Norbert experimented with the press which did not work too well, as they found themselves charged with forty-four fouls. As the Dillonmen strove to go ahead in the last 2 minutes, these fouls proved disastrous, as Stephenson sank six free throws to go into the lead for good, final score S. H. 55-S. N. 51.

The Squires scored a stunning upset over their arch-rivals, **Central Catholic,** 77-75, to turn a rather uneventful season into a success. Leading for all but three minutes of the game, the Green and White looked like champions as they dropped the Cadets into a 1st place tie. Balanced scoring was the feature of this most important victory. Gordie Comerford was the big gun with 20 points.

The Norbertine cagers ended their season against **St. Mary Menasha** on the Zephyr's floor. Halftime found the Squires behind 36-29. Both teams scored furiously in the second half, as the Dillonmen fought to overcome Menasha's lead. At the sound of the final buzzer the hosts were ahead 84-76. Tex Comerford was high man of the evening with 32 points; Ron Debelius hit 26 markers for St. M. Gordon Comerford, Senior center, was awarded first string center on the **All-Conference** team. He was one of three unanimous choices for the team.

This year's Junior Varsity rolled up one of the longest winning streaks of their history as they won the first seven games of the season before the Central Cadets ended it on the 15th of December 51-38. This defeat was later avenged on the Cadets' home court in a hard fought game, 52-46.

Coach Dillon worked with many different combinations, looking for future Varsity material. Among the outstanding were freshmen Daryl Brost, Tom Vandelist, Bob Kobriger, Wilbur "Montana" Schaefer and Don Baudhuin. John "Sleepy" Lax led the team in the scoring department with 134 pts., followed by Tony Lehn with 166, Roy Sommers, 107, and Tom Vandelist, 105. Each of the boys gained valuable experience for use in the years ahead.

After their loss at the hands of Central the Junior Squires found it tough to squeeze past their opponents for the victory, as they dropped some very close games. They finished the season with an overall record of 12 wins—8 losses.

St. Norbert dropped their first game of the season to **Menasha St. Mary** 6-3. The fourth inning was fatal as the Zephyrs scored all their runs. **Central** downed the Squires for their second conference loss in a row, 4-3. Steve Morrissey was the losing pitcher, giving up only two hits, but eight walks. In a return game, the Green and White defeated **St. Mary** 3-2 on 11 hits. With one man out in the ninth inning, Konkle scored the winning tally. The Squires chalked up their second and third wins of the campaign at **Sevastopol** as they swept both ends of a double-header 6-5 and 13-2. In the first game the Junior Knights were again forced from behind, but in the second they were never in danger as 12 hits were blasted. In their second double-header of the year the Squires lost both games to **St. John Little Chute,** 6-5 and 29-1, the latter probably their worst defeat in history. Four pitchers took their turns on the mound without much success. Besides hits the Dutchmen were also helped greatly by 13 walks and 9 errors. St. Norbert closed its regular season losing to the **Central** Cadets 5-4. A tremendous triple by Joe Migas was the big blow for the Squires. In the second annual **State Catholic baseball tourney** held at Menasha, the Green and White lost in the first round to St. John Little Chute 16-3.

ARGOS

That which is uppermost in every student's mind near the completion of the school year is the Argos. After a very hard week fulfilling the final exams, everyone likes to relax and trace back those things of the year which they enjoyed best. For this enjoyment they can thank the staff, patrons, and all those who have helped make this publication possible. The staff consisted of energetic students who were willing to dedicate their time and talent for this annual project. This work is totally compensated for when the production is appreciated by fellow students. They try in all ways to make each publication a successful one, for on this book the students rest their good old Saint Norbert memories later in life. The first Argos was published back in 1943. At that time it consisted of forty-eight pages, the first moderator being Father Isadore Gosz. In the course of eleven years, this book has increased twice that amount. Every publication includes the viewpoints of different students. The task of moderator for the present edition was undertaken by Father Robert Finnegan. The members of the staff and all those who helped compile this annual wish you many happy hours of enjoyment.

HI-TIMES

The Hi-Times, a monthly school paper produced by students on the high school campus, publishes all the future and former events throughout the school year. The volunteer members sacrifice much of their time in order that this publication may exist within the school. On the staff, editorship has been replaced by two co-editors, Mark Ceman and Clifford Bougie. At times when advice was needed, they sought the aid of Father Henry Jafolla, the moderator. The reporters met periodically in a classroom, where they were given a brief course in journalism by their moderator, thus enabling them to create stimulating articles. This program also assisted them in writing editorials in which they expressed their own opinion on certain subjects. Added to the staff was the Alumni editor, Gerald Hietpas, a former graduate now attending St. Norbert college who gave information concerning previous graduates. One of the few consecutive articles was produced by the principal, and is known as the "Notes from the Office" which yielded vital and encouraging advice to all students who read it with sincerity.

A popular organization to which belongs a limited part of the student body is the N Club. Students who have obtained a major letter in any sport are automatically included in its membership. Every year at the close of the football season this club sponsors a homecoming dance for the student body. Added to this activity, were the boxing bouts which every student looked forward to in the springtime. To top off all the athletic activities for the year, the N Club presented an athletic banquet which was extended to those who received letters in any sport and also to the members of the Argos and Hi-Times staffs. Its moderator, Coach Dillon, presided as Master of ceremonies for this program. At this time a trophy was also awarded by Abbot Killeen to the most valuable athlete who is elected by the entire student body. The officers for this year were Chuck Fiss and Arnie Baugnet as president and vice-president, and Jim Kommers and Jim Simon as secretary and treasurer respectively.

The Rifle Club was organized for those students who wished to extend their knowledge in firearms and shooting. This year, after the team was in operation, it became a member of the National Rifle Association of America. Thus being associated, the members were able to receive certain marksmanship awards according to their ability. With an application to the Department of the Army, it was able to use, without cost, arms, ammunition, and targets. Last year, after a late start, it was able to have only one match, although this year, besides attaining these marksmanship awards, it planned extra matches. The club being larger than in preceding years, it had to be split into two squads, each squad shooting on the St. Norbert College R.O.T.C. rifle range once a week. There the team members were instructed on safety precautions and on the art of shooting.

Mcderated by Father Finnegan and with the assistance of former members, the club was well entrenched in the second semester. The club is well equipped with members and good equipment for future years.

KNIGHTS OF THE ALTAR

Back row: J. Piper, Thome, Paul, Conard.
Front row: P. Piper, McFarland, Sustar, Denzel, Tesch.

Back row: Robert Arnoldussen, Rataichek, Schaefer, Tobin.
Front row: Minor, Weidenfeller, Lund, Sommers, Hayes.

An important function that every Catholic school is concerned with is the obtaining of altar boys. This is capably handled at Saint Norbert by the organization known as Knights of the Altar, moderated by Father Clabots. This group included the non-limited membership of forty-four boys. The duties of the members are to assist the priest at Mass and Benediction. To do this a boy must learn to fulfill his tasks properly, as well as to remain in the state of grace while aiding the priest at such a religious rite, and this is carefully done at Saint Norbert. The students of this organization find it an honor to be of assistance at such a dignified function. The officers for this club are as follows: Chuck Fiss, president; Jack Tesch, vice-president; Daryl Brost, secretary; and Bill Frigo, treasurer.

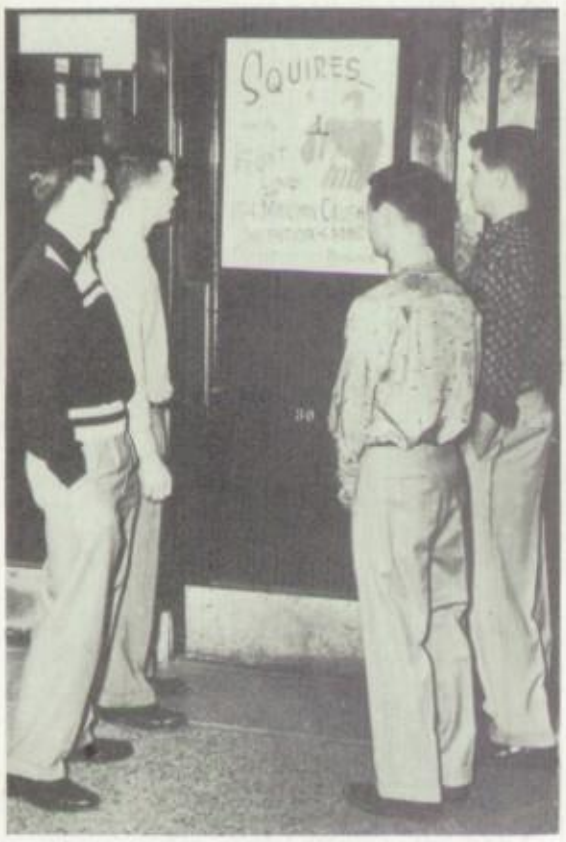
SODALITY

Back row: Rataichek, Arthur Sinkula, L. Frigo, Robert Arnoldussen, Brei.
Third row: Skibba, Paul, Brungraber, Grota, P. Piper, Lumaye, Conard.
Second row: Weidenfeller, R. Trainor, P. Sinkler; Brost, Huth, Tesch, J. Johnson.
Front row: A. Migas, Richard Arnoldussen, Sommers, W. Frigo, Meli, Casimir.



Being always mindful of the motto, "To Jesus through Mary," this youth organization was able to fulfill another year of Catholic action on the campus. The Sodality is especially interested in spreading devotion to the Blessed Virgin. By dividing the members into separate committees, this organization was able to discuss some of the spiritual problems in the school. Each committee was given certain tasks concerning their work at the bi-weekly meetings. The meetings were held in a classroom and were conducted in parliamentary form. Father Robert Finnegan, the director, assisted at each meeting. Before Easter, the Sodality sponsored a benefit fund which aided in furthering its activities. Added to this was the erection of the May altar which was one of the Sodalists' major projects. This being Marian Year, the Sodality established the daily recitation of the "Little Office of the Blessed Virgin." The officers were Bill Frigo, prefect; Jack Tesch, vice prefect; Lee Grota, secretary; and Pete Paul, treasurer.

THIRD ORDER

Back row: P. McCormick, Tesch, Swanson, J. Johnson.
Front row: Kommers, C. Fiss, Virlee, West.

The third order of St. Norbert is known as a secular tertiary of the Premonstratensian order. It was founded by Saint Norbert for lay people only who wished to partake of the blessings bestowed upon those who were enrolled in the white scapular. Anyone may be a member, but to be enrolled in the scapular one must have reached the age of sixteen, retain high morals, and always strive to attain Christian perfection. One of the privileges that is looked forward to by those enrolled is the wearing of the white habit of Saint Norbert at one's burial. The students at St. Norbert belonging to this organization convened once every two weeks. These meetings, moderated by Father Robert Finnegan, were concerned mostly with the liturgy. Any questions arising in the members' minds concerning the liturgy or any matters regarding their faith could be discussed at these meetings. Here also they were reminded of a few of their duties, such as daily recitation of the Rosary and the office of the Blessed Virgin.

CHOIR

Back row: Jadin, T. McCormick, Schaefer, Deloria, Tobin.
Third row: Pfeffer, L. Frigo, Meli, Renn, Lumaye, Kobriger, Domask, A. Migas, Robert Arnoldussen.
Second row: Zeihen, Seeman, Weidenfeller, Seul, Anthony Sinkula, Virlee, W. Frigo, LaCroix, Richard Arnoldussen.
Front row: Arthur Sinkula, G. Moran, Ceman, Sustar, Swanson, Nosek, Casimir.

The Squire choir began slowly and reached its peak quickly —a predominance it did not relinquish. This fine group of twenty-eight young men sang, among other things, the student High Mass on Saturday mornings. Father Alfred McBride succeeded Father Vincent DeLeers as director. Every Monday and Wednesday night the Rec room rang with the melodies of various composers. Much scale practice and similar exercise gave evidence of the emphasis on the true and colorful voice production which became apparent to all listeners at performances. Considerable time was spent at the beginning of the school year whipping the choir into shape because over seventy percent of the membership was new. In November Father M. VandenElsen, a noted composer, wrote a special three-part Mass for the choir. By February, the choir had mastered it. This organization made its usual appearance at the annual Christmas program, and turned in a brilliant performance. One special feature of that program was the singing of the "Laetabundus" in English. The Squire choir enjoyed the largest membership in its history and has a great future waiting for it.

CRUSADE FOR REVERENT LANGUAGE

Back row: Brei, Deloria, Rataichek, Mulrooney.
Third row: Meli, K. Trainor, Thome, Remmel, A. Migas, Skibba.
Second row: Casimir, Sustar, Flavin, McFarland, Anthony Sinkula, Brost, Lund, Nosek.
Front row: Renn, Gehl, Conard, Lumaye, Day.

The Crusade for Reverent Language was active mainly during the second semester. Organized by Father Clabots, this organization met every two weeks. The members strive by good example to influence other students to speak only in the manner of a good Catholic gentleman.

STAMP CLUB

Although the Stamp Club consists of a few members, it re-opened its office with great zeal among the students. The club extended its gates to stamp collectors and to all who wished to explore the world of stamps. Rowland McFarland, as director of the meetings, introduced different phases of stamp collecting and philatelic literature.

Back row: Bell, McFarland, Brost, Flavin.

CAMERA CLUB

Back row: Robert Arnoldussen, Beer, Flavin, Lund, Day, Smith, Belisle.
Front row: A. Migas, Remmel, Meli, Casimir, Mulrooney.

The Camera Club, under the direction of Father Finnegan, again this year continued to instruct students in the use of the camera. The members of the club did not only study how to take better pictures, but they also learned how to develop and enlarge them. The club has been a great help to the Argos and the Hi-Times, considering that a great number of the informal pictures in this book were taken by them throughout the year and contributed to it. The members were eager to learn, and they did this through various training films sent to them by the Eastman Kodak Company. One of the subjects discussed was "Introduction to Picture Making." This film gave them the fundamentals of taking pictures. In another film, "How to Make an Enlargement," that phase of photography was explained which the members were later able to put into practice in the darkroom. Another film stressed the point of taking pictures outdoors at night, while "Making Pictures People Like" told of the fine points every good photographer should know. There were other films, too: "Tips on Kodachrome and Kodacolor," "Photography in Criminal Investigation," and "Snap That Picture." All the films were important and useful to the members of the club.
